

Educational Dairy Tour

Saturday June 16th from 1- 4 p.m.

Spend the afternoon with the Morrow County Dairy Association at a Working Dairy Farm where you will get a FREE hands on educational tour. This tour is open to the world.

Delicious Dairy treats will be provided.

This educational tour will answer all of your questions about the dairy industry.

Join us to learn about feeding, care, milk testing, nutritional food values and much more.

Please join us to learn about how and where the dairy products you buy at the store come from.
