ONLINE SERIES

FRUIT PRODUCTION

MARCH 23, MARCH 30, APRIL 6, 2021 • 9:30-11:30 a.m.

Hosted by Dr. Gary Gao,

Professor and Extension Specialist

Ryan Slaughter, Research Assistant

Come join us for an informative series of online workshops, featuring information to benefit both beginner and advanced growers, to teach you proven techniques to maximize production and quality in your fruit plantings. Beginning March 23 with blueberries, you will be online with Ohio State University South Centers experts, who will give presentations and answer your questions. The series continues March 30 with blackberries and concludes April 6 with raspberries.

Register by visiting:
