

Local Foods Kids Cooking Day Camp

Know Your Farmer! Know Your Food!

This year the Local Foods Kids Cooking Camp will be a single daylong event. The day will feature teaching from Local Bounty Coshocton vendors who are farmers right here in our community.

Rotations will include honey, cheese, eggs, vegetables, hamburgers and more. Children will rotate from station to station throughout the day learning about agriculture, nutrition, and of course, cooking!

Children ages 5-12 who have an interest in cooking are encouraged to register for this day camp. Each participant will receive accessories to help with their food preparation.
