

# Women in Agriculture Hands-On Tractor Night

## Hosted at JD Equipment

The purposes of this fun evening are to provide a comfortable environment for operating equipment and asking questions, as well as networking with other women involved in agriculture in our area.

Women will have an opportunity to learn about terminology, function, and purpose of different sizes of tractors and types of implements. Women will also have opportunities to drive machinery and learn about advancements in technology that make equipment easier and safer to operate.

Tuesday
